Touchscreen Kiosk

## Patient Check-In Made Easy!

Pioneer intelligent touchscreen computers are built with healthcare environments in mind. This touchscreen kiosk is perfect for easy self-serve check-in via the Admissions counter or a free-standing kiosk at the facility entrance.

## Convenient, Fast, Secure Check-In

### Medical Grade Tough

Ruggedized, anti-microbial housings, screens that can withstand millions of touches and fully sealed to protect from dust and liquid spills. These touchscreen computers are specifically designed for a long life in Healthcare.

### Convenience where you need it

Reduce the lines at the Admissions Desk and place the kiosks where your patients can conveniently and securely register. The embedded HIPAA compliant privacy filter ensures protection of patient information.

### Fast Set Up and Operation

The Pioneer Kiosk is perfect for entrance ways and lobbies and can be set up and utilized effectively in just minutes. With a Windows OS, it can easily be paired with your preferred custom screening application like EPIC's Welcome.

### Configurable to your Needs

Pair with a Magnetic Stripe Reader, 2D Imager, add on keyboard/mouse, Card Scanners, Biometric Readers and more to suit your needs.

**Epic** Certified
