

## Vantage

The Vantage™ is a versatile mobile vitals / telehealth cart built for healthcare. Fully adjustable heights for the user, configurable Audio Visual and many accessories. When paired and powered by the CT18M mobile touchscreen computer you have the ideal tool for capturing vitals, virtual doctor visits and more. No power required, no cords or cables to trip over.

With a min. warranty of 1 year, and many peripherals to choose from, all computers and carts are built to your unique specifications and shipped from California, USA.

## Mobile Carts
