

TeleMate™

Mobile Tablet Cart

Simple Virtual Care!

TeleMate™ Mobile Tablet Cart is designed for Telehealth in a post-COVID-19 world. The lightweight mobile tablet cart is sturdy, flexible and affordable. TeleMate™ is a simple solution to enable Family Engagement, Resident/ Patient Communication and Virtual Doctor Visits.

Simple - Adaptable - Affordable

Ergonomic and Hands Free

Focus on what really matters to you—communication, care and connection with patients using tablet technology, hands-free in any environment.

Simply Configurable

Simply slide the Pioneer medical-grade tablet, iPad or your existing tablet into the custom enclosure for a fully-functional mobile cart that supports Telehealth, Patient Engagement, Virtual Visitation, Point of Care Documentation and more.

Modular and Adaptive

TeleMate™ mobile tablet carts are lightweight and durable. Easy to push and position with one hand. And, are designed to work with most major tablet brands including iPad, Galaxy and Surface.

Medical Grade Tough

Pioneer Tablets are ruggedized, offer anti-microbial housings, screens that can withstand millions of touches and fully-sealed to protect from dust and liquid spills. Pioneer technology is specifically designed for a long life in Healthcare.

(Tablet not included)
