

E-Ink 31

The E-Ink31 is a 31.5-inch digital display built for retail, healthcare, manufacturing, hospitality, and education. Its high-resolution screen delivers clear, glare-free content while using very little power. With built-in wireless connectivity and optional wired accessories, it's easy to deploy and dependable in any environment.

Backed by a one-year warranty, the E-Ink31 is a smart, low-maintenance solution for modern signage needs.
