

Vantage

The Vantage™ is a sturdy mobile Point of Care cart built for healthcare. Fully adjustable heights for the user's comfort. When paired and powered by the CT18M mobile touchscreen computer you have the ideal tool for capturing care services straight to your EHR. Simply replace the hot swappable batteries and keep on moving. No more cords to deal with.

With a min. warranty of 1 year, and many peripherals to choose from, all computers and carts are built to your unique specifications and shipped from California, USA.
