

Vantage Vitals

The Vantage™ Vitals is a lightweight mobile vitals cart built for healthcare. Fully adjustable heights for the user's comfort. Configurable to your needs with many accessories. The Vitals Essentials Kit includes the Vital Signs Monitor, Blood Pressure cuff, pulse oximeter and thermal thermometer. When paired and powered by the CT18M mobile touchscreen computer, you have the ideal tool for capturing resident/patient vitals straight to your EHR.

With a min. warranty of 1 year, and many peripherals to choose from, all computers and carts are built to your unique specifications and shipped from California, USA.
