

Touchscreen Computers

The A516 features a newly refined, curved and rounded design while maintaining a slim profile, ideal for wall or desk-mounted setups. This 16" multi-touch screen offers optional embedded privacy, is scratchproof and spill-resistant, and is built to perform in demanding environments such as Retail, Healthcare, Education, and Manufacturing.

With a min. warranty of 3 years, and many peripherals to choose from, all computers are built to your unique specifications and shipped from California, USA.
